Quilty's Condition Critical as Result of Crash Monday

Crash On Main St. Monday A. M. Kills Two, In- jures Two

Harry F. Quilty is still in a Waukegan hospital in a critical condition as a result of injuries sustained when a car belonging to Arthur Hawkins, struck the curb on Main street near the village park, careened off the large trees there and completely hurled a parked car, landing in the street.

Two other men were in the car, Joseph W. "Lefty" Lojwanek, 23, and Herman M. Savoy, 42, and both were dead when rescuers reached the scene. Hawkins, who was riding in the front seat of the car, was injured slightly, being shaken up and bruised, as well as being burned by gasoline which leaked out of the tank.

Quilty, who was discharged from the U. S. navy six weeks ago, suffered a broken pelvis and a broken hip, as well as first degree burns from his neck to his knees, caused by his clothing being saturated with gasoline from the car tank. The full extent of his injuries has not been ascertained as yet on account of the difficulty in moving him to make X-ray pictures. Doctors did discover a fractured arm Wednesday, however. The extent of damage to his skull and spine will not be known until a further examination can be made.

Fire Destroys Four Cottages at Lake Villa

Fire, which evidently started in a cottage owned by a Waukegan Lumber company, was responsible for the total loss of four summer cottages at Lake Villa, Monday morning at 9:30 a. m.

Difficulty in getting water supply from the lake was partly responsible for the extent of the damage, as the Lake Villa department encountered difficulty in pumping on account of the high bank of the lake, more than 60 feet of suction hose being called into use.

Deputy State Fire Marshall Jas. Stearns was on the job to investigate the fire, but was unable to find any cause for its start.

H. S. to Sponsor Recreation Program

The Antioch Township high school has made tentative plans to sponsor a summer recreational program for adults, in order to make full use of the lighted athletic field. Plans include provisions for croquet, horse shoe, tennis and volley-ball, with other games to be given consideration if enough interested persons can be found.

A custodian for the equipment and handling the lights will be provided, and reservations may be made for use of the tennis courts.

All managers of softball teams who wish to make use of the high school field are asked to be present at a meeting to be held at the office at the high school at 8:30 p. m. Monday, May 27. At this time schedules for use of the diamond will be made. The field will be available for softball games about four nights each week.

Dick Folbrick To Head Legion Softball Team

Announcement was made this week by Ed Frazier, athletic director of the local Legion post, that Richard Folbrick has been chosen manager of the newly organized Legion softball team. "Dick" has had much experience along this line, having been active in the organization of several teams of the kind in the past.

Practice sessions of the team will be held at the high school diamond on Tuesday and Friday of each week, and Frazier urges that all men who wish to play with the teams show up for practice as soon as possible.

Mr. and Mrs. Randolph W. Mattson and son Randolph, Jr., of Cincinnati, Ohio, are house guests of Mrs. Mattson's brother, Dan Boyer and Mrs. Boyer, at their Cedar Crest Acres home at Lake Villa.

Telephone Company Business Office Is Moved To New Home

Telephone subscribers in Antioch and vicinity will now be able to carry on business transaction in a new office located on the first floor front, of the old Wilton residence, 970 Victoria street, according to E. L. Simpson, district manager of Illinois Bell Telephone company.

Orders for service, payment of bills and other business matters will be handled at the new address more efficiently because of increased space. The move will also provide more space in the central office. Simpson said today that the move will make room for future installation of more equipment at the central office, and that the central office building would be devoted entirely to service operation.

6-Pound Walleye, Victim of Greed, Found in Fox Lake

One of the largest walleye pike ever found in the Chain O' Lakes was picked up dead this week by Jos. Sweeney of Buena Park, Colombia Bay. The fish was a victim of his own greed, and his eyes were evidently larger than his gullet, for he had attempted to swallow a large bluegill. The smaller fish became caught in his throat and he was unable to finish the job of eating it, and was evidently unable to disgorge it, on account of the fins on the smaller fish.

Sweeney, a veteran fisherman in the region, had heard the fish thrashing about for several days prior to its death and was on the lookout for it. The pike was estimated to weigh about six pounds, and brought to mind the thirteen pound walleye caught by Joe Gaides about ten years ago.

Conservation officers say that there are a great many walleyes in the local lakes, and attribute the scarcity of catches of them to the fact that only a very few fishermen try to catch the walleye here.

Earl Golz to Play for Legion Dance Saturday

All In Readiness For Big Event at Legion Home Sat.

Earl Golz, popular bandleader along the gold coast and a former member of the Whiteman orchestra, has been engaged to furnish the music for dancing at the Antioch Legion post's dance Saturday night.

Billed as a "May Party and Dance" the affair will feature other entertainments, too, games and other recreation will be a part of the fun.

The party, which is to benefit the athletic association and the Drum and Bugle corps, will provide funds for the coming baseball season and to outfit the Drum and Bugle corps with new uniforms.

Golz is certain to be a good attraction for the party in that he has built up a reputation in the county and is well known to most regular dancers. During the past few years he has provided music for various USO dances as well as being a great favorite at the Great Lakes Naval training station officers club.

Committees for the party include Ed Frazier and Les. Heath, advertising; J. L. Waters and C. E. Gaffey, refreshments; Bob Taylor, Roman Vos, and Chas. Cermak, amusements; Wm. Brooks and Henry Quedenfeld, Jack Keeney, Walter Hills, Chas. Laursen, tickets; Chas. Cermak, Otto Klass, music; Ed Jahnke, Richard B. Eckert, Laurel VanPatten, Frank Kennedy, check room; Jack Keeney, Les. Heath, finance; Ed Frazier, Harry Message, Clarence Shultis, Bob Taylor, Les. Heath, Otto Klass, decorations. Food will be provided by the Legion Auxillary.

Ticket sales indicate that a capacity crowd will attend, and ticket sales have been carried out by Gene Kaufmann, Paul Nielsen, Marvin Heath, Paul Chase, Orville Winfield, Pat Ryan, Charles Laursen, Bill Murphy, John Volk, Richard Eckert, Dr. A. N. Berke, Tony Sciacero, Warren Edwards, Jos. C. Likanvitch, John Radtke, Clarence DeWitt, William C. Muech, and Raymond Cobb.

One hundred ladies of the Home Bureau, Grayslake, attended a luncheon at the Home Arts Guild, of Chicago, Monday. Antioch Unit was represented by ten members. Mrs. Robert Hess and Mrs. George Peterson were among those interviewed by Cliff Johnson of WBBM Radio Station on "Meet the Misses Program."

Antioch Is Back to Normal With End of Dimout

Industries Back To Work, Businesses Carrying On As Usual

Antioch business houses and industries were back on a pre-dimout footing Friday and Saturday with the lifting of restrictions on use of electric power. A good many businesses had made arrangements for private power systems and a few of these were in actual operation by the time the news of the ending of curtailment was heard. Most of them were still in the preparatory stage, however.

Only restriction on use of power which is still in effect is the relation to flood lighting, etc. The actual order reads "all such purposes as decorative or ornamental lighting and flood lighting, sign lighting, window and show case lighting, comfort air conditioning, car heating, and interior lighting in excess of minimum requirements."

Britton I. Budd, president of the Public Service Company of Northern Illinois, today made the following statement:

"The Public Service Company was glad to join with the Illinois Commerce commission in removing the major restrictions on the use of electric energy which have been in force since May 1.

"In spite of the temporary resumption of coal production, such relaxation of the restrictions could not have been accomplished without the savings in coal already made through the wholehearted cooperation of all industrial, commercial, residential, and rural customers.

"We deeply appreciate the fine support received from the Illinois Commerce Commission, all local officials, the press, and the radio. And we are greatly indebted to those who supplied us with additional quantities of coal.

"We urge the continued voluntary effort of the public to keep the use of electricity at a reasonable minimum. With such public cooperation, we believe the territory we serve can be supplied through the remainder of the emergency without further restrictions, barring unforeseen developments."

Antioch Ranks High in Livestock Judging

Antioch High School's Livestock Judging team competed with 16 other schools at The Curtis Candy Co., Farms at Marengo, Ill., last Thursday to place in 4th position. Raymond Toft with an individual score of 346 was 5th high individual among the 80 contestants present.

Other members of the Antioch team were Robert January, John Conrad, William Hamm, and Russell Myers.

The State Judging Contest will be held at the University of Illinois on June 12th. Plans are being made to have the Poultry, Grain, Dairy and Livestock Judging teams from Antioch attend, states C. L. Kutil, Vocational Agriculture Instructor of the school.

New Projection And Sound Equipment To Be Installed at Lakes

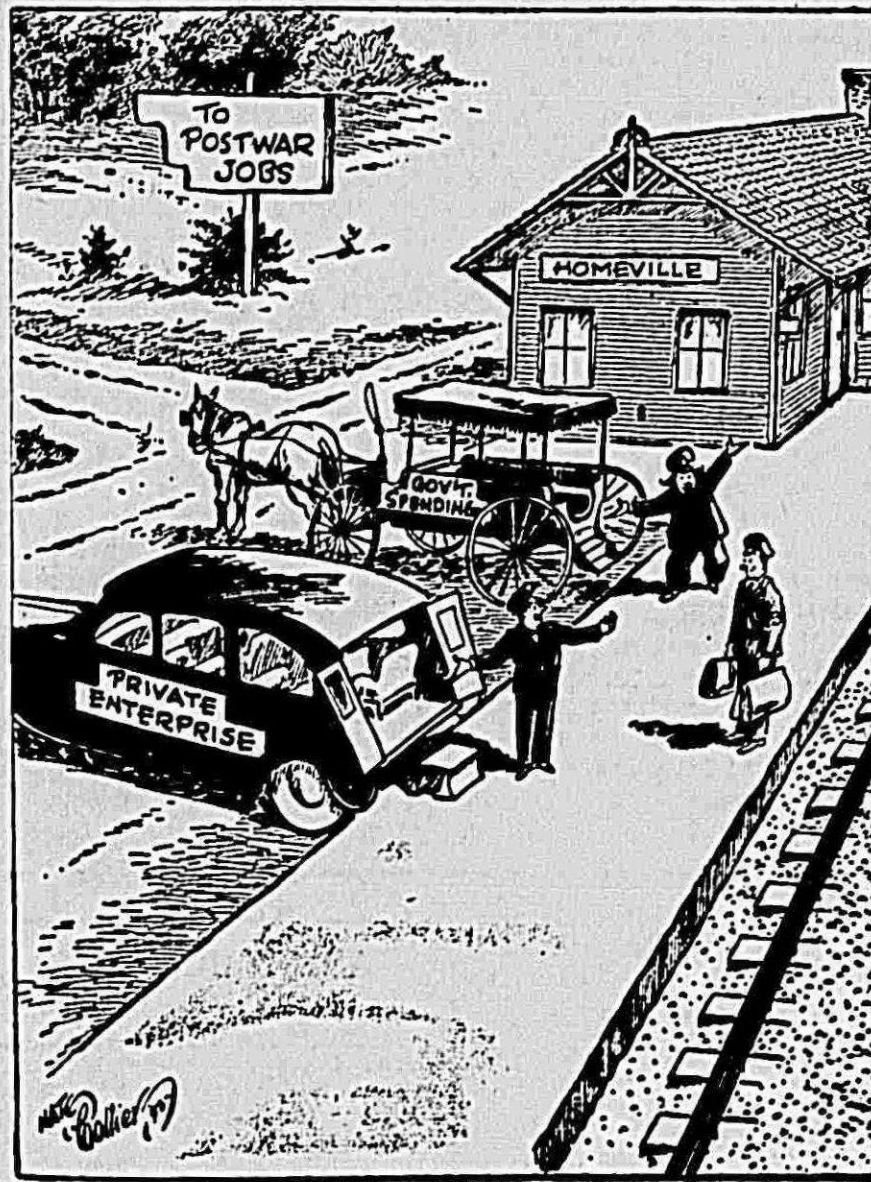

A complete new projection and sound equipment system will be installed at the Lakes Theater after May 22, according to information furnished by Bill Lemke, manager. The new equipment will be on display in the lobby and since the law prohibits visitors in the projection booth of a theater, this will be a chance to see the mechanism which projects the pictures and sound, according to Lemke. The theater will be closed May 22 and 23 while the installation is being made.

High School Thespians to Play Tonight

The Late Christopher Bean, Postponed by Dimout, Starts Tonight

The annual Antioch Township senior play, "The Late Christopher Bean," will be presented tonight and tomorrow evening after having been postponed on account of the dimout.

The play, which is a comedy, will have a cast of nine, is a story of a painter who left a good many canvases of his relatives, and when they turned out to be priceless, the mad scramble to find them makes a good many hilarious situations.

Ralph Trieger, Georgia Reidel, Geraldine Gresens, Joan Felter, Mary Ryan, Donald Irving, Joe Sterbenz, Myles Van Duzer, and Franklin Olson make up the members of the cast.

Committees for the play include Dolores Gross, Bernice Palaske, Margaret Harvey, tickets; June Spangard, Dorothy Scott, prompters; Gertrude Hawkins, June Spangard, Helen Wolf, Phyllis Chope, Properties; Bob Kufalk, Bob January, Ray Toft, Clifford Mirocko, Doris Portwich, Phyllis Stastny, Bob Holem, Harlan French, Stage and house crew; Dorothy Scott, Margaret Harvey, Make-up; and P. Harvey, D. Gross, D. Scott, publicity.

200 Attend Ladies' Night of Lake Villa Community Men's Club

D. S. Boyer Given Trophy; Music and Entertainment Is Enjoyed

More than two hundred persons sat down to a delicious turkey dinner at the Lake Villa Community Men's club annual Ladies' Night Tuesday evening at the Lake Villa gymnasium. The dinner was prepared by the W. S. C. S. of Lake Villa Community church and served by the young peoples group of the church.

Entertainment featured the Sequoia Music Makers, directed by Hans Von Holwede, a moving picture, "The Bell Telephone Hour," and the amusing tricks of Doug McRay, magician. Ronald Belek, of the Metzler school of dancing, put on several acts which were much enjoyed by the guests. Mrs. Grace Timmersman provided Solovox music during the dinner.

President Paul Sheldon presented a silver trophy, suitably engraved, to Dan S. Boyer, a past president and moving force in the organization of the club for "loyal and untiring service to the club and to the community."

A director's meeting of the club will be held May 22, at the Lake Villa Village hall.

Miss Frances Zimmerman spent the weekend with her parents, Dr. and Mrs. L. John Zimmerman.

Lions Report on Fund to Promote Work on Lakes

A report on the fund which was subscribed in August, 1944, for the promotion of work to improve the Chain O' Lakes and get the Grass Lake bridge project underway, was made at the Lions club meeting Monday evening. The meeting was short and solemn, due to the sudden passing of H. T. Meinersmann, owner of the 19th Hole, where the dinner meeting was held.

A summary of expenditures incurred in the course of entertaining 80 state legislators and their guests and other expenses connected with the project follows:

Sept. 19, 1944, Luncheon, Pregenzers Resort & Waiters	\$ 190.85
R.R. fare and traveling exp. for guests	178.55
Tele., Refreshments & misc.	72.10
Jan. 15, 1945, Dues, Chi. Regional Planning Assn.	100.00
Mar. 31, 1945, Luncheon, 7 Refreshments Conserv. meeting	221.11
Dec. 3, 4, 1945, Trip to Springfield for 12 people & guests	293.09
Total exp. to date	\$1055.70
Leaving a bal. of	216.30
Total amt. donated	\$1272.00

The following is a part of the Lions club minutes of the meeting which refers to C. K. Anderson's report:

"He said that through these efforts the original amount of \$25,000 allowed for dredging had been increased to \$50,000; that Governor Green was 100% in favor of promoting the Chain of Lakes region; that outside nonpolitical engineers had been employed to develop plans and that the promise had been obtained to start the construction of the bridge across Fox River at Grass Lake road as soon as conditions would permit. He added that he had heard that there had been some criticism about spending some of this money for liquid refreshments. He explained that such refreshments were purchased when about 80 State Legislators, Directors of state and county departments, official delegates and members of influential committees all interested in fostering the natural resources of the state along with those members of the Lions Club active in promoting the Chain of Lakes region were entertained with a steak dinner at the Conservation school in September of 1944. Any such refreshments used in connection with their trips to Springfield were at the personal expense of the members of the committee."

Tournament To Be Held May 27
The annual golf tournament will be held Monday afternoon, May 27, at the Chain O' Lakes Country club. As this is always a big event, plans are being made to accommodate a large part of the club's 100 members. Prizes will be furnished for the best golfers.

Only other business of the meeting was the appointment of a nominating committee to prepare a slate of officers for the coming year.

Jim McMillen Is Assistant Chief of Fire Dept.

Vos Assumes Chiefship; Makes Appointments at Meeting Tues.

James McMillen was named assistant chief of the Antioch Fire department at a regular meeting held Tuesday evening at the fire station. McMillen's appointment was the first made by Cleve Vos, who assumed the office of chief at the meeting. Other appointments were not made at the meeting.

Lou Van Patten, retiring chief touched on the history of the department in his talk before handing the chief's badge to Vos, and mentioned that among achievements of the department were the fact that it was the first in a village of this size to have motorized equipment, that it was the first to have a truck solely for carry water to fires away from water supply and that it was instrumental in forming the fire prevention district. He also thanked the members for the splendid co-operation which had been extended to him while he was chief and expressed the hope that the same would be given the new chief.

Vos made a plea for co-operation of all members, and thanked the membership for the confidence they had shown in him in selecting him for the chiefship.

Other business before the meeting included a motion to write to heads of all the subdivisions in the district to ask their co-operation in putting a stop to the numerous grass fires which are costly and at times cause real damage to property.

Clarence Shultis, secretary, reported that the department is now up to full strength of 35 active members.

Plans for a series of practice sessions were outlined with the first practice scheduled to take place on next Tuesday evening, and Vos asked that all members be present for the first session.

After the business meeting lunch was served.

Subdivider and Landscape Architect Dies Monday Eve. of Heart Attack

H. T. Meinersmann, 63, well-known subdivider and landscape architect, passed away at seven p. m., Monday evening at his home on route 59. A heart attack proved fatal.

Mr. Meinersmann was responsible for the subdividing of most of the land now occupied by Petite Lake Highlands and other subdivisions lying between Bluff Lake and Petite Lake, and was instrumental in getting the Bluff lake Petite lake channel dredged. Among other achievements along this line was the laying out of Ridgewood cemetery, Des Plaines, more than 25 years ago.

He came to this country from Bueckeburg, Germany, in 1908, and made his home in Chicago until 1921, when he moved to Lake Villa, and has made his home there since.

He is survived by his wife, Gretchen, one son, Herman, Jr., a brother, Carl, also of Lake Villa, and a sister, Mrs. Mathilde Bueckeburg, of Los Angeles, Calif.

Funeral services were held today from the Strang Funeral home at 1:30 p. m. and interment was in Ridgewood cemetery, Des Plaines.

Antioch Recreation Sweepstakes To Be Resumed on Weekend

Carl Gibson, manager of the Antioch Recreation bowling lanes, announced today that the Men's singles sweepstakes tourney, interrupted by the dimout last week, will be resumed on Saturday and Sunday of this week. The tourney has attracted a record entry so far, and keggers are expected to flock to the alleys Saturday and Sunday to compete for the \$1200 estimated prize list.

High men in the tourney so far include Ken Ashe, 1331; George Axteill, 1289; Wm. Kick, 1275; S. Copen, 1260; C. W. Ritta, 1260; Emil Hallwas, 1247; and Harold Marcusseb, 1247.

Antioch Rebekah Lodge will sponsor a public card party at the I. O. O. F. Hall, Friday evening, May 17. Bridge, 500, Pinochle and bunco. Prizes and refreshments.

National Maritime Day

Wednesday, May 22, is National Maritime Day, authorized by Congress and proclaimed by President Truman. In his proclamation, the President brought out an important point with real force when he said "in peace no less than in war the Merchant Marine makes a vital contribution to the welfare of the Nation."

The Merchant Marine is not only an essential national delivery system, taking our products abroad and picking up the raw materials that keep our economy running, but it is also an arm of our international policy. The success or failure of our Merchant Marine affects every one of us.

Many of us who live away from our great port cities are apt to forget these facts, feeling that the Merchant Marine is the concern of somebody else. We must remember that it is our Merchant Marine and that it has served and can continue to serve us well. It was our Merchant Marine that delivered the goods to win the war. It is our Merchant Marine that will be a boon to our postwar economic security by opening new possibilities for profitable intercourse and closer relations between the peoples of the earth.

In 1939 the British Empire controlled about one-third of the world's ocean shipping and the United States about one-seventh. The United States now has

twice as many ships as the rest of the world combined. The Axis thought the United States couldn't raise our cargo tonnage from 11 million deadweight tons to 50 million in 3 years or train the men to sail this giant fleet. They never dreamed that we could ship war materials at the rate of 8,000 tons an hour round the clock, throughout the year.

This is how America did the job:

Shortly after the Jap attack on Pearl Harbor, the U. S. Maritime Commission was directed by the late President Roosevelt to build 8 million deadweight tons of shipping. The goal was exceeded before the end of 1942.

Sixteen million tons was the mark set for 1943. More than 19 million tons were delivered.

By the time we went into Tokyo more than 4,500 merchant ships built in the wartime period in United States shipyards were at work delivering bullets, bread and bandages for the United Nations.

Officers and men of the Merchant Marine numbered about 55,000 in 1941. By 1945 the United States Maritime Service had increased personnel to over 270,000 well trained, highly efficient officers and men. Despite heavy casualties, they "delivered the goods" necessary for the winning of the war.

The end of the war released the facilities, the brains, the skills, and the machines for a great post-war Merchant Marine. Never before has the existence of an American merchant fleet been so important to the Nation's well being. Farmers, manufacturers, the man in the street all have an equal dependence on shipping and benefit from its services.

The postwar planning is over. Postwar action is under way. Basic designs for great new peacetime ships have been completed. On the ships that carried the war to the Axis, the gun tugs are coming off and the bathtubs going in, new and streamlined equipment is being installed.

Mr. Petty, County Supt., will be the speaker of the evening.

The local fire department was called out before noon last Monday when fire of unknown origin started in the Uhler cottage on the north shore of Cedar Lake and because of the high wind and dry conditions, it rapidly spread to adjoining cottages, the Johnson cottage, Twin Oaks cottage, owned by Walsh and the Meyer cottage, none of which were occupied during the winter. Alarm was turned in but all that could be done was to save other cottages.

Mr. and Mrs. Edgar Kerr and son, Jack, of Bloomington, Ill., and Mr. and Mrs. George Mitchell, of Chicago, spent Sunday with their mother, Mrs. Florence Kerr.

Appetizing Carrots

Slice large carrots crosswise in thin slices. Chill thoroughly in refrigerator, placing in ice water unless very fresh. Spread with peanut butter.

Dislikes Water

The vicious little animal called the fisher is misnamed for he dislikes water almost as much as a cat does.

Honey Bread Pudding

Honey bread pudding is an ideal sweet dessert sparing sugar by using honey as sweetener. To substitute honey for sugar in bread pudding use twice as much honey, by measure, as the amount of sugar the recipe calls for. Add half teaspoon lemon extract to enhance the good flavor of the pudding.

On May 28, Mr. Chester Custer, a student at Garrett Biblical Institute will occupy the pulpit while the Pastor, Rev. Ray Pearson is attending the Ohio Annual Conference.

The ladies' of the Woman's Society of Christian Service and the Halcyon group served the turkey dinner for the Lake Villa Community Men's club at the school gym on Tuesday evening. This was the annual Ladies' Night.

Mr. and Mrs. Ray Hussey and daughter returned last week from a very pleasant vacation spent in Florida, and Mrs. Hussey's mother, Mrs. Frances Gilliland, of De Lan, Fla., returned with them to spend some time here.

The regular meeting of the Halcyon club was held May 8, at the home of Mrs. Beatrice Cribb, at 7 o'clock when pot luck dinner was enjoyed by the thirty or more young women present. Hostesses were Mrs. Ellen Schneider, Mrs. Dorothy Langbein, and Mrs. Emma Williamson. Following the regular business meeting, Rev. Pearson installed the officers for the coming year as follows: president Mrs. Shirley Sherwood; vice-president, Mrs. Ruth Karolius; cor. secretary, Mrs. Emma Williamson; rec. secretary, Verna Ben-

necke and treasurer, Mrs. Bernice Armstrong. The group adjourned for the summer months and will resume meetings in September.

Mrs. Inga Swanson spent a few days last week in Condell hospital for observation and returned home Monday.

Edwin Kapple was a patient at a Chicago hospital a few days last week and returned home on Sunday.

Mrs. Edna Botts, who went Easter Day to spend a short time with her navy husband in Seattle, Wash., has returned home after a very pleasant time. Her husband has been assigned to duty at Pearl Harbor.

Mr. and Mrs. Edward Meyer, of Chicago, were guests of Mr. and Mrs. Albert Kapple last Friday.

The last regular meeting of the Parent-Teacher Association for the school year will be held at the school gymnasium on Monday evening, May 20 and will be observed as Father's Night. Miss Falch's primary room and Mr. Schrum's room will furnish entertainment for this meeting and the installation of the new officers will take place. The P. T. A. is planning to buy draperies for the gym and the Sunbeam Electric iron will be given away at this time.

Graduation exercises for Lake Villa, Cedar Lake, Sand Lake and Monaville schools will be held at the school gym on Friday evening, May 24 and

SOCIETY EVENTS

Legion Poppy Day to Be Sat., May 25

Poppy Day will be observed in Antioch and throughout the United States on Saturday, May 25, Mrs. Maud Johnson, president of Antioch Unit of the American Legion Auxiliary, has announced.

Memorial poppies to be worn in honor of the dead of both world wars will be distributed on the streets throughout the day by volunteer workers from the Auxiliary and co-operating organizations. Contributions received in exchange for the flowers will be used in relief and rehabilitation work for disabled veterans, their families and the families of the dead.

Extensive preparations for Poppy Day are being made by the Legion Auxiliary Unit under the direction of Mrs. Ethel G. Zimmerman, Poppy Chairman. The volunteer workers are being organized into teams and assigned to locations in the downtown area. Residence and factory areas also will be covered to give everyone an opportunity to pay tribute to the war dead by wearing a memorial flower.

The poppies have been ordered from hospitals where they are being made by disabled veterans of both wars, working under the direction of the Illinois Department of the American Legion Auxiliary. They are crepe paper replicas of the European wild poppy which bloomed on the battlefields of France and Belgium in both wars and which has become a worldwide symbol of remembrance of America's battle dead.

Poppies will be more generally worn this year than ever before, Mrs. Zimmerman predicted.

"With peace restored and the men coming home," she said, "everyone will want to pay tribute to those who can never come back to us by wearing a poppy in their honor on Poppy Day."

MORGAN-OPPLIGER WED

Miss Frances Opplinger, daughter of Mr. and Mrs. Fred Opplinger, of Buhl, Idaho, and William Morgan, son of Mr. and Mrs. Earle Gibbs, of Antioch, were united in marriage at double ring ceremony, Tuesday, May 14 at 8 o'clock a. m. by the Rev. Rudolf Otto at the Peace Lutheran church, Wilmot, Wisconsin.

The attendants were the groom's parents.

The bride wore a blue suit with white accessories and her flowers were tulips and Lily of the Valley.

After a two weeks honeymoon in Canada, they expect to make their home in Antioch. Other guests at the ceremony were Mrs. M. W. Rigby and son Charles and Edward Baumann.

ANTIOCH WOMAN'S CLUB HOLDS ANNUAL MEETING

State Revenue

Up For April

State Treasurer Conrad F. Becker, reports that the General Revenue Account of the State of Illinois increased \$4,187,428.81 during the month of April. This rise can be attributed to increased collections of Liquor Revenue, Inheritance Tax, and Sales Tax. Regular Funds increased \$8,649,298.57 during this period while Trust Funds decreased \$2,039,655.53. A summary of all fund balances shows a total increase for the month of \$6,609,643.04. Motor Fuel Tax collections for the month amounted to \$3,821,820.46, the largest collection since December, 1942.

Library News

(By Marion Rigby, Librarian)

"The Snake Pit," by Mary Jane Ward, has stirred nation wide acclaim. This extraordinary story of a girl who lost her mind and found it is written with technical skill and yet has a simplicity that is convincing. Perhaps the most unusual fact about this unusually original book is that wit and laughter combine with intense drama.

Georgette Heyer has written a deft and delightful novel of fashionable London life in the days of the Regency. It is called "Friday's Child" and the unsophisticated heroine, by her marriage to the dashing Lord Sheringham, light heartedly enters the social whirl with no knowledge of its many perils. The young couple cut a wide swath in the Sheringham fortune and in London society before the rules of convention and economics catch up with them.

Church Honored By Being Placed On PAC Defeat List

Congressman Ralph Church issued the following statement in Washington this week after his name was mentioned as one of the more than twenty congressmen slated for active opposition in the coming election by the communistic Political Action Committee:

"I am honored," said Church, "to be selected by the Communistic Political Action Committee as entitled to its active opposition in the coming election. It bespeaks my record of true Americanism, of which I am proud, and my effective opposition to the radical Communistic elements which seek to control our government. To be named by the Hillman-Bridges-Murray-Petrillo crowd as one of their selected enemies is a commendation."

"The people of the 10th District believe in the American form of government and a sound economy. I represent the people of the 10th District and no political group, certainly not the enemies of our republic. This active opposition of the Political Action Committee, with its usual slush fund and misleading propaganda, will commend me to the people I represent."

will be held tomorrow at Lyons, Ill., the home of his father, William. His body lay in state at the Strang Funeral home until Wednesday when it was transported to his home. He is survived by his wife, Evelyn and two children in addition to his father. Dr. E. H. Harrison of Woodlawn Baptist Church will officiate at the ceremony and interment will be in Mt. Auburn cemetery.

"Lefty" was employed at the Willow Dale Dairy plant here and had been a resident of the village for the past four-and-one-half years, being well-known and popular with a great many people, through his devotion to fishing and other outdoor sports.

Herman M. Savoy, 42, was born in Canton, Valais, Switzerland, the son of Maurice and Cecile Savoy. Funeral services were held at the Shriner-Neuchwander funeral home in Monroe, Wisconsin. Burial was in Greenwood cemetery there. Survivors include his wife, Francis, and two children.

Accident Recalls Others

The accident, which is believed to have been caused by a blowout of one of the tires of the car, calls to mind that several accidents of the same sort have occurred during the past ten years in almost the identical spot. Five or six years ago a car driven by a local man rolled over

more than five times in the same spot. It is thought that the familiarity of the "S" curve on that part of Main street, which is driven around hundreds of times at slow speeds, leads drivers to forget that if the curves were out on the highway, a number of warning signs would be posted, and that such curves cannot be negotiated safely at speeds much above fifty miles per hour.

Gold Star Mothers Honored at Auxiliary Meeting Friday Eve.

Four Gold Star Mothers were honored at a Mother's Day Party held by the local American Legion auxiliary last Friday evening. Mesdames Mann, Hanke, Scott and Carlson were the honored guests.

A tableau, featuring "living portraits" of a mother's life from infancy to old age was arranged by the committee and musical accompaniment was presented by Mrs. E. J. Hays, soloist and Mrs. A. H. Kaufmann, pianist.

Girls of the Antioch girl scout troop No. 1 served a lunch after the program. Out of town guests included District Director Ruth Husted, of Waukegan and Mrs. Ruth Harmon, also of Waukegan.

Mrs. Maude Johnson, Mr. and Mrs. V. J. Kenney, Jeanette Keeney, Mr. and Mrs. Thos. Burnett, Pfc. Roland Burnette, attended Hospital Day at Downey Memorial hospital on last Monday, May 13.

Gifts from the local auxiliary included vases donated by Mrs. John Pacini, Mrs. L. R. Van Patten and Mrs. Al Swenson; Flowers by Mrs. F. J. Hays, Mrs. L. J. Tweed, and Mrs. Al Swenson; Magazines, jigsaw puzzles and cookies were donated by the auxiliary.

Heard About Town

"Never mind what the public thinks, suppose we do make a lot of money at the Legion summer carnival in July, they do not realize how much it takes to finance the various projects supported by Antioch Legion Post."

MILLBURN

Mr. Paul Sifler, of Waukegan, will give an organ concert at the church Friday evening using the new Hammond electric organ, which has just been installed. On Sunday evening a dedication service for this Millburn Memorial Organ has been planned. Mrs. E. A. Martin will be the organist and the Rev. WILMOT

(Continued from Page 3)

Rausch and Linda and Mr. and Mrs. Lyle Techert.

The annual school picnic will be held at the Fox Park for the Wilmot Graded school on Friday, May 24. Members of the committee in charge are Mrs. William Wertz, chairman assisted by Mrs. Lloyd Stoxen, Mrs. Alex Schubert and Anna Kroncke. The Mothers Club is sponsoring this picnic and will omit the May card party.

Guests of Mr. and Mrs. W. R. Schenning were Mr. and Mrs. John Schenning, of Chicago, Mr. and Mrs. Percy Mizzen and children, Truesdell, Katherine Schenning, Racine. Mrs. Herbert Sarbacher is at Zion with her parents, Mr. and Mrs. John West, for several days this week. Mr. and Mrs. Fritz Oetting and daughter were guests at a dinner Sunday given for the members of the family of Mr. and Mrs. Frank Zarnstorff, Sr., at Richmond. Guests included Mr. and Mrs. Lloyd Zarnstorff, Mr. and Mrs. Frank Zarnstorff, Jr., Mrs. Evelyn Neumann and Clifford Schaal.

Pacey-Feldkamp

Now on furlough before leaving for overseas duty with the army, Pvt. George Richard Feldkamp, son of Mr. and Mrs. Lester Feldkamp, Kenosha, claimed as his bride, Miss Charlotte Joyce Pacey, daughter of Mr. and Mrs. Cyril Pacey, of Wilmot, in an impressive ceremony at her home Wednesday afternoon, May 8 at 3 p. m.

The couple were married by the Rev. Rudolf Otto of Peace Lutheran church, Wilmot, in the flower-decked living room of the Pacey home. The bride is a graduate of the Union Free high school and the Union Grove Normal and taught at the Bassett graded school before her marriage and Pvt. Feldkamp was an employee of the Union Linen Supply company prior to entering the army. Both the bride and her sister, Doris, who attended her, wore grey suits and halo hats fashioned of white flowers. They wore corsages of white carnations and roses. William Kehngst, Jr., served as best man.

Supper for 20 guests was served at the bride's home following the wedding service. Mrs. Feldkamp will remain at home with her parents when her husband leaves for overseas.

Corcoran-Sherman

At the Holy Name Cathedral rectory in Chicago, at 4:30 p. m. Saturday, May 11, the Rev. Ray Vonesh performed the ceremony uniting Roger Frederick Sherman, son of Mrs.

Lynne Sherman, of Randall, and Virginia Corcoran, daughter of Mr. and Mrs. Patrick Corcoran, of Chicago, in marriage.

The bride was given in marriage by her father, Patrick Corcoran and was attired in a long, white marquisette dress with a sweetheart neckline. She wore a finger tip length net veil with a crown wreath of orange blossoms, and carried a bouquet of white gardenias and gladioli.

Mrs. Thomas Sloam, sister of the bride, attended her as matron of honor. Mrs. Sloam wore a baby blue marquisette gown and carried a bouquet of peach colored gladioli. John Corcoran served as best man.

The rectory was decorated with white gladioli and peonies. The bride's mother wore a teal blue suit and a white hat. The groom's mother wore a navy blue suit with a navy blue rose flowered hat.

Dinner for the wedding party was served in the Emerald room of the Graemere hotel at 7:00 o'clock.

Mr. and Mrs. Sherman are on a ten day trip through the south and will be at home after May 20 on the Sherman farm in Randall.

Relatives who attended from here were Mrs. Lynne Sherman, Mr. and Mrs. Ray Bufton and Mr. and Mrs. Wayne Tilton.

Boomerang Anties

The Australian bushmen have been known to throw a boomerang as far as 100 yards before it began its leftward curve. The boomerang sometimes rises as high as 100 feet and may circle five times before returning to the thrower.

As we were saying-----

By Jack and Louie

Howdy Folks: We read that the Republican congressmen are formulating a positive, constructive legislative program.

Many folks were beginning to think that the GOP was becoming too old to dream.

In counting the wasted man hours, don't overlook the time spent in reading political speeches.

A newspaper item says that the government prints and distributes speeches made by congressmen entirely at a loss.

It might be added that they are read the same way.

The second hardest thing in the world is writing a political speech. The hardest is reading it.

On the other hand, it's easy to get good quality and service by stopping in or calling us now.

Our dealers join us in making this frank report to THE FARMERS OF AMERICA

INTERNATIONAL Harvester is getting back into production with all possible speed. Extra shifts are being employed wherever conditions permit, to try to overcome the production losses of the recent strike. Everything is being done to get parts and machines to you.

While we and our dealers would like to tell you that this means an immediate end to the shortage of service parts and machines, it is more accurate to say that it means the beginning of the end of it. If illness or bad weather delays you seriously in the Spring, you know how much it throws you off your schedule. The strike has thrown our schedules off balance, too. There are many "chores" we must do before new machines reach you.

Material shortages

The preliminary chores of getting our plants back into shape for full production are finished. But disturbances in other industries and resulting material shortages may affect our plans. Light gauge steel sheets, brass and copper, fractional horse power motors, and many other items are all very short. The coal situation may also prove serious—we hope not.

Refilling the well

Both our dealers and our branches have run dry on parts and new machines. So the biggest chore is to get their working stocks back to normal. It will take time to fill the pipeline to dealers—just as it takes time for you to refill a well or cistern after it has run dry.

Stock and display rooms of our dealers represent not one, but ten thousand reservoirs which must be refilled. The most heroic pro-

duction efforts will mean that your local dealer can expect only a small number of parts and machines at a time. Since we must play fair with all our customers, there will be a sprinkle of parts and machines all over the country—not a downpour in any one section.

You will be glad to know that all repair parts production schedules are far beyond normal.

No hoarding

You may be sure that every machine will be shipped to dealers as soon as completed.

We do not and will not hold machines off the market.

At the start of the strike we had on hand at all our factories and branches just 837 tractors of all kinds—less than two days' production—and 405 of these were not completed. Many of those on hand had one or more important parts missing—principally radiator cores. Most of the rest represented the normal daily "float" between the end of the assembly line and the shipping platform. Naturally no tractors were made during the strike.

What dealers may have for you

We can report to you that our current production on TRACTORS is good and we are shipping at a normal rate. Even so, there will not be enough to go around. The situation on FLOWS

and DISK HARROWS is reasonably good. On COMBINES, MOWERS, HAY RAKES, ONE-MAN HAY BALERS, CORN PICKERS and many other items, our schedules have been seriously disrupted. We must in fairness say that many of our customers are likely to be disappointed on delivery of these machines. On MILKING MACHINES, STATIONARY ENGINES, and some other small units we are hopeful of making practically normal delivery.

We know you will understand the reasons why your dealer cannot fill your orders overnight. He would like to give you the kind of delivery on machines you would like to get, but his situation is a difficult one and not of his own making. He is doing the best he can.

No cutting corners on quality

There is one thing you can be absolutely certain about: We will NOT cut corners on quality in order to increase production in this emergency. For years we have said: "QUALITY IS THE FOUNDATION OF OUR BUSINESS." Today we say it—and mean it—as much as ever.

We know you need new machines—and need them badly. But we believe it will pay you to wait just a little while longer if you cannot get all you want immediately. By waiting you can be sure your new equipment will have the quality so rightly associated with INTERNATIONAL HARVESTER for so many years.

Prevention of Famine Is Goal of 4-H 1946 Victory Garden Plan

Lake County 4-H workers are setting an example for all America, states Ray T. Nicholas, farm adviser. They are responding to President Truman's recent message asking for an increased food supply to help relieve famine abroad by keeping on with their victory gardens.

The critical need for food is in itself a stimulation for participating in the 1946 National 4-H Victory Garden Award program, but the second reason is the awards offered by Allis Chalmers for outstanding records of achievement. They consist of gold-filled medals of honor to the four top-ranking entrants in each participating county and \$9,600 worth of U. S. savings bonds to be shared by state and national winners. Sectional winners will also receive a trip to the 25th Annual National 4-H Club Congress in Chicago next December.

Boys and girls who participate in this project learn how to care for and manage a well planned garden, carry out a program of garden insect and disease control and market surplus produce in an economical, approved manner. They also learn to plan gardens for a long season so that nutritious vegetables and fruits can be grown for use throughout the year.

Handy Shelf
To save time and yourself, put the food shelf in order. Check through the canned goods on hand. Store those you plan to use where you can easily get them. List and purchase needed supplies at regular intervals. Frequent trips to the grocery store for emergency items take time.

Balinese Women
Balinese women have many rights when they are married. They manage households and family finances, own wardrobes, jewelry, and utensils. Some have their own incomes from work outside the home. Men have title to houses, fields, implements and cattle, but prize victorious fighting roosters next to their children.
